

Ms. Debbie and Ms. Lindsay's Newsletter

September 9th – 13th, 2019

Language Arts

This week we will be focusing on the letters D and d. We'll spend our week finding Dd's in the classroom, practicing the strokes that make up the letters D and d and learning about the sound that Dd makes. We'll add the color word Yellow to our song repertoire. So far the words the children have begun to recognize are ... *the, see, this, is, red, and blue*. This week we will add the words *a and can*.

Math

The children will continue to practice counting from 1-10 and identifying numbers 1 and 2, 3, and counting up to 3 objects with one-to-one correspondence. Does your child touch each item when he/she counts?

Religion

We will continue to discuss the wonderful world that God created for us. We will spend the week being thankful for all that God has given us.

Social Studies

We'll continue our unit, "All About Me" with a week of talking about friends. We'll discuss what it takes to be a friend.

Science

We'll begin our review of the senses, this week focusing on our sense of touch!

Home-School Connection

Language Arts: Practice re-reading the "sight-word booklets" that have already gone home. This week we'll send home the booklets BLUE, and My Cc Book.

Math: Number flashcards & counting flashcards will also be in the children's folders. When practicing with the counting cards, encourage your child to touch each dot when they say a number.

Reminders

- *Please check the snack calendar for your child's day.
- * Wednesday, September 18th - 2:00 Dismissal
- * Since we're serving water in the classroom, both in the morning and afternoon, if anyone would like to donate a pkg. of 3oz. plastic cups, we would appreciate it!
