

Ms. Debbie and Ms. Lindsay's Newsletter

September 16th – 20th, 2019

Language Arts

This week we will be focusing on the letters E and e. We'll spend our week finding Ee's in the classroom, practicing the strokes that make up the letters E and e, and learning about the sound that Ee makes. We'll continue to learn and sing the color word, *Yellow*. At the end of this week we'll read the story, *Little Blue and Little Yellow* and find out what happens when the colors mix. Our new sight words this week are *have* and *an*.

Religion

This week we will begin learning *The Lord's Prayer*. The children are really doing well with our first prayer, *The Blessing before Meals* and also improving with *The Sign of the Cross*.

Math

The children will continue to practice counting from 1-10 and identifying numbers 1 through 5. We will begin counting up to 5 objects with one-to-one correspondence.

Social Studies

We'll continue our unit, "All About Me" with a continued week of talking about friends. We'll continue to discuss what it takes to be a friend and how to work together!

Science

We'll begin our review of the senses, this week focusing on our sense of hearing!

Home-School Connection

Language Arts: Practice re-reading the "sight-word booklets" that have already gone home. This week we'll send home the booklet *My Dd Book*.

Math: Number & Counting Cards: When practicing with the counting cards, encourage your child to touch each dot when they say a number.

Moose: Moose went out on his first home visit! If Moose comes to your house, remember to help your child draw about something fun that they got to do with Moose. Parents are welcome to add a sentence or two of your child's words about their experience. Don't forget to return Moose on Monday with all his belongings. (See the note inside Moose's journal)
